Group profile

The number of participants will be limited to 30 (10 from each partner school).

Application criteria

To apply, students must meet the following criteria:

- > hold a M1 or M2 (preferably in Economics, Law or Finance) by the start of the Summer School.
- > or be enrolled in a Grande École or a Political Science Institute.
- > subject to approval by the program manager, L3 candidates may be considered.

Preference will be given to students in their 4th/5th year of studies ([M1/M2](#)) and PhD students.

Applicants must have a sufficient command of the English language for studying the required readings and participating in rigorous classroom discussions.

Enrolment

Application period: from february 10, 2025 to April 10, 2025.

Submit your application online, from february 10, 2025 via this [link](#)

Please attached the following documents to your application :

- > A resume in English
- > A cover letter in English
- > Transcripts of records (from the last three years of study)
- > Copy of your student card

Deadline for payment of registration fees: **May 15, 2025**

- > The program is composed of 65 hours of courses of Law and Economics, all held in English.
- > Classes Monday to Friday (typically from 9:00 am to 1:00 pm).
- > Social and cultural events organized on certain days (visit of museums or institutions).

Courses

- > Legal and Economic Analysis of Contracts and Exchange
[Pr. Sarath Sanga](#), Yale University
- > Economic Analysis of Legal Conflicts Resolution
[Pr. Claudine Desrieux](#), Paris-Panthéon-Assas université
- > Behavioral Analysis of Contract and Dispute Resolution
[Pr. Geneviève Helleringer](#), ESSEC Business School / Oxford University

Seminars

- > Topics will include: The Economics and law of contract enforcement; Economics and law of the burden and standards of Proof; Harmonization of Legal Systems; Dispute Resolution Mechanism in International Business Contracts.
- > The lecturers will be [Emmanuelle Chevreau](#) (Paris-Panthéon-Assas Université); [Holger Spamann](#) (Harvard University); [E. de Fontenay](#) (Duke University); [G. Rauterberg](#) (Michigan University).

In addition, some specific events will take place:

- > Team-building seminar organized by ESSEC at the beginning of the program.
- > Case-studies and visits to the Chamber of Commerce and Industry, the OECD and academic conferences.

A detailed schedule will be provided to participants in due time.

Students will be evaluated through exams for each class and will be required to solve problem sets, based on the content of the lectures given by the co-directors of the program.

The final grade of the certificate obtained by participants will be calculated as follows (subject to change):

- > 50% exams
- > 30% problem sets
- > 20% student participation

Attendance of all lectures is mandatory to obtain the **Certificate**.
